Comprehensive casting breakdown:

<http://www.centeronthesquare.org/images/GYPSY-CHARACTER-DESCRIPTIONS.pdf>

Things to consider in terms of casting:

-People often forget this is a strong big fun expandable chorus show (especially for women)!

-The little kids are in the first 10 minutes of the show for Uncle Jocko's Kiddie Show (but they are typically not held until the bows at the end so there is no real need for child wrangler if the director goes in this direction). Chance to involve the partner charity!
